

Subtitles of TV API on Code on Access to Information

Subtitles of TV Announcement in the Public Interest	
MVO:	Take a guess.
MVO:	But we don't have to guess if it is transparent.
MVO:	You need no guesswork to get information from the Government. The public can make requests for information under the Code on Access to Information.
Female student (Cantonese VO with English subtitle):	I got those details about the public service.
Man (Cantonese VO with English subtitle):	Under the Government's open and transparent principle, departments will provide information to the public in accordance with the Code on Access to Information as far as possible.
Senior (Cantonese VO with English subtitle):	If the information cannot be given, an explanation will be provided.
VO:	Visit www.access.gov.hk to find out more.
Super:	Code on Access to Information www.access.gov.hk
